

\$400 ComEd REBATE

ON ENERGY STAR® CERTIFIED VARIABLE SPEED POOL PUMPS

WHY CHOOSE ENERGY STAR?

Variable speed pool pumps that have earned the ENERGY STAR are independently certified to save energy and money.

In fact, they:

- Use approximately **70% less energy** than standard pool pumps
- Can save up to **\$340 per year** in energy bills
- Run quieter and extend the life of your pool's filtering system

Conventional pool pumps waste energy by using the same pump speed whether they are filtering the water, vacuuming the pool or performing another task. ENERGY STAR certified variable speed pool pumps, however, can run at lower speeds during filtration—the task pool pumps perform most often. Because filtration requires only half the flow rate of pool vacuuming, these variable speed pumps can provide significant savings over time.

SAVE THOUSANDS OF DOLLARS

An ENERGY STAR certified variable speed pool pump can save you about \$2,200 over the lifetime of the product. This investment can pay for itself in less than two years—even sooner with a **ComEd rebate**.

WHEN DO YOU NEED A NEW POOL PUMP?

The obvious sign that you need a pool pump is when the motor is completely dead. However, there are other warning signs you should be aware of, including when your pool pump:

- Is seven to ten years old
- Does not seem to be as powerful
- Continually makes noise
- Gets hot and shuts down
- Hums or buzzes but will not start
- Starts slowly

ELIGIBILITY REQUIREMENTS

- Rebates are available to all current ComEd residential delivery service customers.
- Customer applying for the rebate must be a ComEd “customer of record” living at the address noted on the application.
- Must be an ENERGY STAR certified variable speed pool pump.
- In-ground pool only.
- Pool pump must be new and purchased in Illinois, or the buyer must demonstrate having paid the applicable Illinois sales and use tax.
- Limit two pool pump rebates per ComEd residential delivery service account.
- Pool pump must be purchased and installed April 1, 2016 – May 31, 2017.
- Application must be submitted within 90 days of purchase or by June 30, 2017, whichever comes first.
- The rebate paid will not exceed the purchase price of the pool pump.

HOW TO APPLY

1 Complete application

Download and complete the ComEd Pool Pump Rebate Application available at ComEd.com/Rebates.

2 Submit application

Submit the completed application and a legible copy of your dated sales receipt/paid invoice showing manufacturer, model number, installation date and purchase price to ComEd via email or mail. Make a copy of the application and receipt for your records.

You can submit the application by ONE of the following methods:

Mail:

ComEd Appliance Rebates
3100 West Road, Bldg 3 – Suite 200
East Lansing, MI 48823

Email:

ApplianceRebates@ComEd.com

3 Receive rebate payment

After your rebate application is reviewed and approved, you will receive a \$400 rebate check in approximately four weeks.
